THE BUGLE

Staunton Elks B.P.O.E 351

FROM THE EXALTED RULER

Happy New Year Elks 351 Members, The first month of the

new year is behind us. I hope everyone is sticking to their New Years' resolutions.

Elks 351 held our annual Hoop Shoot contest on January 15. We had 16 shooters in five different groups. We sent five shooters to Fredericksburg on 1/29. We had two of the five win their age groups and are heading to the state competition. Congratulations to Nathan Burkhart 12-13 group and Hudson Gale 8-9 group. I am looking forward to watching them compete again. These two fine young men have a great chance to win the state and move on.

As many of you know Chuck and I messed up the paperwork for the renovation for McCaffery Hall. We did not notify the members of the cost of the renovation in our eblast. I will read the renovation agenda again at the February 6 meeting, then we will vote the following meeting. A lot of red tape that the Grand Lodge requires us to do.

We will be nominating Officers and Trustees at the February 6 meeting. Please come to the meetings the first Monday of the month at 7 pm, they usually last 45 minutes to an hour. We will also have meetings the third Monday of February, March and April. Thank you to all the Officers, Trustees, Committee chairs and volunteers for making my first year as Exalted Ruler successful.

Sincerely,

Matt Sutton

THE FEFE FILE

Happy February. I am thrilled to announce that January was a very busy and successful month at The 351. We have now successfully managed 27 catering events since 2022 and 3 in January of 2023. In January we had an event for a 50th wedding anniversary with 72 guests, a baptism celebration and a luncheon for a Real Estate Plus, all of our events in January were over a 50% profit margin for our lodge. We hosted a blood drive and successfully collected 19 units of blood to help in our community.

As previously stated, the cost of food and goods continue to rise and availability still seems to be an issue, as I am sure you have noticed in the grocery stores as you shop for your house, we also feel the pressure here. I converse with our vendors almost daily to keep up to date on current issues and pricing to ensure we can still offer quality product at an affordable price for our members

February, all though the shortest month, is shaping up to be another busy month at The 351. With the kick off of the Queen of Hearts our kitchen will offer a full menu on Saturdays starting January 7 from 12-9 PM. Please remember the drink chips are no longer valid after January 1, our new system has a neat feature called Whiz Chip, you can still buy drinks for members, it will print as a paper ticket that the bartender will scan to redeem. We are now offering some new bar items (mimosas, Smash Transfusions in a can, and Sam Adams Cold Snap on tap)

With the super bowl right around the corner, I am going to run the kitchen from 12 noon to 9 PM. There will be \$2 Coors drafts, and ½ price appetizers from 6 PM until kitchen closes. Last call for kitchen items will be 8:45 PM. Last call for lodge bar will be up to manager/bartender discretion based on volume of business. We will also be running the super bowl pulls again this year. The boards will be ready week before the Super Bowl. May the best team win!

Please remember we are still offering \$2/Coors drafts on Thursdays only from 3 PM to close, .75 wings on Sundays for dine in only through the Super Bowl. There is a \$10 minimum on all credit card transactions and that does not include tip. We are excited about the happenings at the lodge. With business increasing we ask that you remember to tip your wait staff as well as your bartender and understand during busy hours the kitchen does our best to keep up with demands but at times it is a struggle with our space so we appreciate your understanding. **The 351 is the best place in town. Let's all work together to make 2023 the best year yet.**

With love and happiness,
Felicia "FeFe" Sheets
