

# THE BUGLE

**Greetings to all Staunton Elks Lodge 351 Members:**

May is here and I ask that all Elks keep 4 important observances in mind this month:

The first week of May is Elks National Youth Week. Members should take time to honor our youth in our community at the end of their school year.

Sunday, May 11<sup>th</sup> is Mother's Day. We are planning a Mother's Day celebration for the important ladies in our lives that have made our lives and world a better place for us all. On Saturday, May 10th at 5:30pm we will hold a small presentation for all mothers in our lodge. There will be a 10% discount on all mother's meals. Come and enjoy this special time. More to come on this as we are still planning this program.

Saturday, May 17<sup>th</sup> is Armed Service Day which honors those who are currently serving in the US Military.

Memorial Day is May 26<sup>th</sup>. This is a wonderful time for all Elks to recognize and honor the men and women from all services for their sacrifices and hard work in order to keep our country safe and prosperous as well as remembering those departed service members.

Staunton 351 will be holding a Kentucky Derby party on Saturday, May 3<sup>rd</sup> starting at 5pm. We will have a drink and dinner special and a Kentucky Derby hat party contest for the ladies.

This month Staunton Lodge 351 will revert back to holding one regular lodge meeting held on the first Monday of the month at 7:00pm. I challenge all members this year to make a good effort to attend our lodge meetings. This is a good way gain knowledge and insight on how our lodge operates. This is not only an obligation but a duty for all members. The PER Committee (Past Exalted Rulers) is being headed by Steve Chambers this year. This committee has decided to change their meeting time to the first Monday of the month at 5:30pm prior to the regular lodge meeting. This committee is an important support and guidance group with the purpose of supporting and mentoring existing the Exalted Ruler and/or New Exalted Rulers. This group will also advise our lodge on ritual practices and other lodge formal matters. If you are a past Exalted Ruler your attendance and participation will be greatly appreciated.

The summer months are approaching and this is usually a little slower time around our lodge as many members are traveling and taking summer vacations. It is important for all members to remember to visit the lodge and support our effort in the social quarters and participate in any planned events we hold during the summer months. Mandy, Shanna, Nikki and Renee continue to provide our members with great bar and food services. It is every member's duty to drink responsibly. Any and all bartenders decision to cut off members who have been over-served is final! Any behavior non-becoming of an Elk will not be tolerated!

Our membership continues to grow and our members are doing a good job in introducing their families and friends to our lodge. Keep up the good work. As a reminder when proposing a member to our order, they must be committed to their membership and those members who propose a new member must be committed in walking their proposed new member through the process of being proposed, orientation and initiation so they have a full understanding on what it means to be an Elk.

In parting I wish all members of Staunton Elks 351 a very blessed month of May and I look forward to seeing everyone around the lodge

Respectfully,  
W. Rader Dod II  
Exalted Ruler  
Staunton Lodge 351
