

THE BUGLE

Happy New Year's to all members of Staunton Lodge 351:

The New Year is here and I am excited for it as our lodge had a very successful 2025 and the outlook for 2026 is even better.

The house committee has planned some entertainment for our members! On January 10th, for music by Southern Hospitality from 6:30pm-9:30pm and on January 30th, Bob & Sandy will be performing from 6:30pm to 9:30pm. These are two great acts, so make plans now to come and enjoy the fabulous entertainment on these two dates!!

The January regular lodge meeting will be held on Monday January 5th at 7pm. We will hold an initiation of new candidates at this meeting. It would be nice for members to provide a good showing as a good presence of members at initiation gives a good impression to our new members.

January, February and March are the last 3 months of the Elks year. As a reminder we will have 1 regular meeting in January, and two regular meetings in February, March and April. For the two meeting months, these meetings will be held on the first and third Monday of those months. Officers and members plan accordingly.

Those interested in holding office in our lodge or becoming a member of our various committees please see an officer or myself to get involved.

A reminder to all Elks members of 351, unless you have a handicap sticker please do not park in our handicap car spaces. Those who continue to do this show no respect for those members who need to utilize these spaces. Please be mindful when parking your car or truck.

I hope all members had a good Holiday and New Year's! Let us all make 2026 a great year for Staunton Elks Lodge 351!

Respectfully,

**W. Rader Dod I
Exalted Ruler

LODGE EVENTS

Annual Christmas Box Project

Staunton Lodge #351's magical elves led by Lead Elf Eva Garber made the 9th year of the Christmas Food Box project another amazing success!!!

Along with the generous donation from our Food Lion partner and the giving spirit of our members made it possible for over 100 Christmas Food Boxes to be filled with all the necessities for a warm holiday meal!

Staunton #3351 members provided over \$2,000 worth of items for the boxes.

These donations were in addition to the grant received from Elks National and support from the Lodge Trustees.

Truly a testament to the fellowship of Staunton Elks #351

Thanks for your help!!!!

Operation Cover Up & Shelburne Back Pack Project

For the 12th consecutive year the Activities Committee was able to utilize funds from the Beacon Grant to purchase and provide warm winter coats and books for 108 children at Staunton's Dixon Learning Center.

The compassion of the Activities Committee has gone beyond the Operation Cover Up project this year with their assistance with the Shelburne Highlanders for Hope Back Pack program that provides food assistance to students experiencing food scarcity over weekends and school holidays. The committee's assistance with this program will continue for a couple of more months.
